

DRINKS MENU

Our Bar is located on the second floor of Amazonas,
right above our Main Dining Room.

Our team has come up with a specially curated beverage
program featuring both cocktails and mocktails,
showcasing an extensive selection of mezcal, pisco,
tequila, and rum. To enhance your Amazonas Bar
experience, all drinks are served in our custom-designed
tiki mugs. Discover our Four Signature Spirits or enjoy
group-friendly shooters served on Amazonas Boats,
inspired by traditional Peruvian fishing boats.

Open until 11pm daily, we also enhance the atmosphere
by playing the best of Latin American and tribal beats -
the perfect stage for a true Latino fiesta.

So welcome to Amazonas.
It's time to leave the world behind
to dine, drink, and dance!

AMAZONAS COCKTAILS

Our star cocktails celebrate the most popular spirits in Latin America—Pisco, Mezcal, Rum, & Tequila. Each cocktail is served in its own carefully selected glassware sourced all the way from Mexico to Peru, and we hope will transport you to the lush rainforest of Amazonas.

We wouldn't be celebrating Latin American drinking culture without a selection of classic and frozen Margaritas, Caipirinhas, & Mojitos. And if you're in a group looking for a Fiesta, we recommend our Cocktails To Share, or our very special—Amazonas Boats.

PISCŌ

Pisco is the Peruvian national spirit and is a clear Brandy distilled from grapes.

The story goes that in the 16th century, Spanish conquistadors brought grape vines over to South America to make their own wine. Using the leftover grapes that could not be used for wine, Pisco was then created! As they say, one man's garbage is another man's reason to make delicious cocktails.

On the fourth Sunday of every July Día del Pisco, or Pisco Day, is celebrated. We hope to see you here at Amazonas for that.

MEZCAL

Made from agave just like Tequila is, Mezcal is much more complex with smoky, woody, and floral notes coming from the way the agave is cooked in stone ovens. The cocktails you get from this drink are much more complex, rich, and if you have never tried mezcal before—the best way to ease into it. Once you appreciate the flavours of mezcal, try our Mezcal Flights at the back pages to really get hooked.
